

ROAD TRANSPORT OPERATORS

PRESS RELEASE

DISREGARD THE PURPORTED TWENTY PERCENT (20%) UPWARD ADJUSTMENT IN PUBLIC TRANSPORT FARES

The attention of the Executives of the Road Transport Operators has been drawn to media publications of a purported Twenty Percent (20%) upward adjustment in Public Transport Fares effective 2nd June, 2026.

We wish to inform the general public that, the Executives of the Road Transport Operators have not engaged the Ministry in any transport fare upward adjustment. The decision by the supposed group is illegal as it has not gone through the fare adjustment protocol and procedure agreed between the Ministry of Transport and the Road Transport Operators.

We therefore wish to condemn this decision in no uncertain terms and request the general public to disregard the publication by the supposed group with the contempt it deserves.

Accordingly, all road transport operators, unions, associations, drivers, vehicle owners, loading point managers, and allied stakeholders are hereby requested to maintain the existing approved fares and to refrain from implementing any unilateral fare adjustments until further notice.

We are monitoring the next pricing window and should there be the need for any fare adjustment, the public will be duly notified.

We remain committed to prioritizing the interests of both our drivers and commuters and will continue to work diligently toward safeguarding their welfare.
